Description

For Sale: Smith Corona SL480 S#5ACM-2173536

Much like the SL80, the SL480 is built simply and sturdy. It's easy to use, and doesn't come with bells and whistles. But it doesn't completely lack features. Word & character erase, margin set and adjust, and **BOLD** and underline letters make it perfect for writing letters and addresses.

This particular model was made in 1992.

Call me and set up an appointment to have a complete demo and a crash-course on how these manual typewriters work.

If you're in Cincinnati, I offer free delivery. If ordering it from outside Cincinnati, choose the option to add \$30 for shipping.
